

Desert Adventures Saves You Money!

Desert Adventures is the only eco-tour company that can take you to an exclusive, private 840-acre adventure ranch located right on the San Andreas Fault Zone where you will explore a natural palm oasis and spectacular box and slot canyons. Your expert guide will explain how earthquakes and tectonic forces created the slanted, vertical and wave-like structures that have been described as the most tortured landscape on earth and how the plants and animals have uniquely adapted to survive in the desert.

This tour includes numerous opportunities to get out of the jeep and explore the desert "up-close-and-personal". Options include taking a nature walk or short hike, panning for gold at an Old Mining Camp, exploring a Cahuilla Indian Village where you learn about the culture and lifestyle of the Cahuilla Indians, visiting our EpiCenter Earthquake Education Center where you learn about geology and earthquakes, or learning about early Coachella Valley settlers at the Pioneer Homestead.
