

Palm Springs Rendezvous Saves You \$\$!

The Palm Springs Rendezvous Bed and Breakfast experience starts as you walk through our frosted glass doors and into our entryway where you will hear our nostalgic 50's music wafting through the air. You then pass into our gorgeous courtyard with pristine pool, hot tub, and blue Astroturf sun deck at our Palm Springs Inn. You may be tempted to settle yourself under one of our terra cotta umbrellas and wrap yourself in a plush towel and bake in the beautiful desert sun.

Come experience our world class gourmet breakfast. Start out with gourmet coffees, tea, and juice, or one of Jake's specialty smoothies

Enjoy the sensational sunset as the sun dips below the mountains. In the cooler season, get to know the other guests around our fire pit in the courtyard or the fireplace in the lounge.
