

The View Palm Springs Saves You Money!

You may want to move in when you see the extra spacious premium two-room suites in our intimate twelve-room boutique hotel, each featuring full kitchens, luxurious beds and baths. The property also offers classic suites and traditional studios with full amenities perfect for a quick weekend get-away. For those quiet times, each room enjoys it's own private patio.

The heated pool and sundeck areas offer as much or as little sun as you want and the large hot tub is a bubbly paradise. With its location close to the action, sighting of boys in the pool and the spectacular mountain landscape, there's no doubt why it's called, "The View" Palm Springs.
